INTRODUCTION

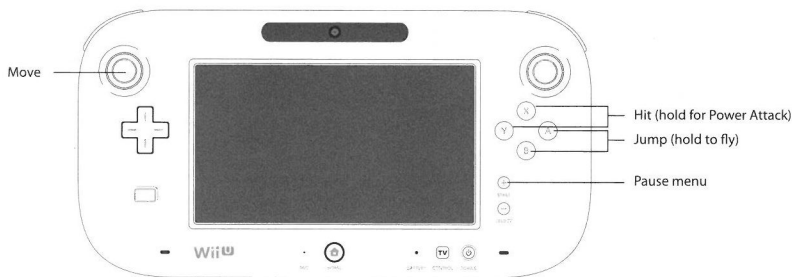

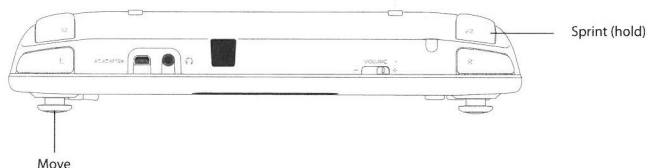

The Glade of Dreams is in trouble once again! During a 100-year nap, the nightmares multiplied and spread, creating new monsters even more terrifying than before. These creatures are the stuff of legend... Dragons, giant toads, sea monsters, and even evil luchadores! They created elaborate worlds within the Glade of Dreams and wreaked havoc by capturing every Teensie in sight. Finally, with the help of Murphy, Rayman and Globox awaken to help fight these nightmares and save the Teensies. When they awake, they see that their old friend, the Bubble Dreamer, has filled his home with a series of magical paintings that reveal worlds the nightmares have created. In fact, each painting is actually a portal to travel to these worlds, so the gang jumps in and the adventure begins! They must run, jump, and fight their way through each world to save the day, discover new friends, and unlock the secrets of each legendary painting.
